

## JUNIOR ZOOKEEPERS

### *Pampering the primates*

**Ages 8-12**

July 17th-20th

1 pm-4 pm

Come learn what it's like being a keeper at the Zoo. During this class, we will do everything from feeding to caring for some of our animal ambassadors.

## WONDERS OF WATER

**Ages 8-12**

July 31st –Aug 3rd

9 am-12 noon

Water is probably the most important element on the planet. We will explore many amazing aspects of water including the creatures in that live in the park pond and streams.

## FOREST EXPLORERS

**Ages 8-12**

August 7th –10th

9 am-12 noon

What lurks in the forests in our backyard? This week, we meet the critters that reside in the redwood forests. We will also take the famous amphibian hike, where we uncover some of the most mysterious creatures of all.

## ZOOMANIA

**Ages 8-12**

July 24th -27th

9 am-12 noon

In Zoomania, we learn about Zoology—the science of studying animals. During this week, we will explore a different animal class each day—from insects to reptiles to birds to mammals.

## Summer ZOOFARI Adventures 2007

\$65 per class

ALL classes run Tuesday-Friday

*Limited partial scholarships available.*

*We are not responsible for child care beyond class times*

## JUNIOR ZOOKEEPERS

### *Goats, guanacos and bears, oh my!*

**Ages 8-12**

August 14th-17th

1 pm-4 pm

Come learn what its like being an animal keeper at the Sequoia Park Zoo. We will do everything from cleaning to feeding the animals—all different from the last Jr. Zookeeper class. Come join in the fun!

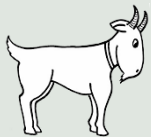

## ANIMAL

### GROSSOLOGY!

**Ages 10-13**

July 24th -27th

1 pm-4 pm

What do owl pellets and goat's cud have in common? They both come out of an animal's body and are really cool to learn about!!! In this class we explore some of the grosser aspects of animals.

## EXPLORING THE MICROCOSMOS

**Ages 10-13**

July 31st –August 3rd

1 pm-4 pm

Microscopes, microscopes and more microscopes! We will explore the animal world that goes unseen, like tardigrades (i.e. water bears) & more.

## JUNIOR ZOOKEEPERS

### *Pampering the primates*

**Ages 8-12**

August 7th-10th

1 pm-4 pm

Come learn what it's like being a keeper at the Zoo. During this class, we will do everything from feeding to caring for some of our animal ambassadors.
